The Garden was performed live on STILLSTREAM.COM (<http://stillstream.com/>) July 5, 2013. Done using midi controller, Linux and personal field recordings. Music fashioned using the buddhalizer - a virtual extension of the imagination.

"The greatest gift that God in His bounty made in creation, and the most conformable to His goodness, and that which He prizes the most, was the freedom of will, with which the creatures with intelligence, they all and they alone, were and are endowed."
